

Subscription information for *Mathematical Research Letters*

ISSN: 1073-2780

Beginning with Volume 17 (2010) all subscriptions to *Mathematical Research Letters* will be handled by International Press of Boston

<http://www.intlpress.com>.

Subscription information for 2009:

Mathematical Research Letters (MRL) appears six times a year in one volume. The total number of pages per volume has continued to increase, necessitating an increase in the subscription price. The 2009 subscription rate for libraries and institutions for the online version only is \$400. Subscribers to the online version (<http://www.MRLonline.org>) who would like to receive the print version as well may do so for an additional \$80, for a total of \$480, including shipping by surface mail anywhere in the world. Subscribers to the online version will have access to all back issues of MRL, beginning with Volume 1 (1994). Issues posted on MRLonline will be accessible to subscribers only.

Subscription rate for 2009 MRLonline access only: \$400

Subscription rate for 2009 Volume 16 print version: \$480

All subscribers to the print version of Volume 16 will have access to MRLonline

Subscription rate for 2009 Volume 16 print version and MRLonline access: \$480

All prices for print version include shipping by surface mail anywhere in the world. For subscriptions to be sent by airmail abroad please add \$80.

Print versions of back issues are available

Any single back issue: \$75

The prices above apply to libraries, institutions, agencies, and dealers. No agency discount is offered at this time. Individual scientists and mathematicians may subscribe to the print version of Volume 16 for the special rate of \$150 (shipping included). MRLonline access is not available to individual subscribers at this time.
